## EDUCATION

- Bachelor of Science in Digital Arts and Sciences in the college of Engineering
- University of Florida, Gainesville FL
- UF Honors Program
- **GPA:** 3.25
- **Expected Graduation Date:** May 2019

## RELEVANT COURSEWORK

- Intro to Software Engineering, Programming Fundamentals I & II, Elementary Differential Equations, Applied Discrete Structures, Data Structures and Algorithms, Intro to Computer Organization

## RELEVANT WORK EXPERIENCE

- **Web Development Intern**, Immersed Games, Gainesville, FL **May 2017 - Sep 2017**
  - Completed full stack tasks
  - Worked within an AgileScrum environment
  - Worked with Ruby on Rails and utilized CSS, HTML, and Ruby

## PROJECTS

- **Team Leader**, Sprout (Arcade Game made on Processing using Java) **Apr 2016 - May 2016**
  - Coded gameplay and created game structure
  - Delegated work to other team members
- **Team Member**, Web Development for the UF Machine Intelligence Lab **Aug 2017 - Dec 2017**
  - Collaborated within a team to create a new website for a client
  - Wrote majority of all CSS and HTML as well as some back-end development
  - Worked within an AgileScrum environment using the MEAN stack
- **Team Member**, Swampacks 2018 **January 2018**
  - Learned React and completed several web page designs

## LEADERSHIP EXPERIENCE

- **Code Instructor**, TYPE UF **Sep 2017 - Dec 2017**
  - University of Florida
  - Taught high school students the fundamentals of coding
- **Mentor**, Girls Who Code **Aug 2016 - Dec 2016**
  - University of Florida
  - Taught junior high and high school students the fundamentals of coding
- **President/Pianist/Music Director**, The Original Cast **May 2016 - Apr 2017**
  - University of Florida
  - Managed and facilitated communication between the board and the club

## INVOLVEMENT

- **Member**, Software Engineering Club **Sep 2017 - Present**
  - University of Florida
  - Learned valuable programming skills in a club setting
- **Member**, Association for Computing Machinery **Sep 2017 - Present**
  - University of Florida
  - Connected with other computer science students
- **Member**, Society of Women Engineers **Fall 2015**
  - University of Florida
  - Fostered a community between women in the engineering field

## SKILLS

- **Computer:** Ruby, Ruby on Rails, Java, Javascript, C++, HTML, CSS, Maya, Command Line, React, Processing, Proficient in Microsoft Office software (Word, Excel, PowerPoint, etc.)
- **Etc:** Classically Trained Pianist, Proficient Public Speaker, Woodworking Experience
